MEMORANDUM FOR: Director of Central Intelligence

FROM : SA/DCI/IA

SUBJECT : Breakfast Meeting with Members of SSCI,  
16 September 1982

1. Included is a complete book, even though you plan to be present for only a short time. The contents are essentially the same as for yesterday's HPSCI breakfast. The Middle East portion has been updated.

2. You may wish to raise some or all of the following:

- [REDACTED]

25X1

-- Middle East. You may wish to engage in a discussion of prospects for peace following the Fez Summit and Bashir's assassination. [REDACTED] has produced some thoughts on that subject.

25X1

-- Pipeline. You may wish to inform the Senators of our efforts to finalize a SNIE on the pipeline issue. In addition, you may wish to mention what we have learned regarding the use of forced labor in pipeline construction. Additional copies of the map and expose are included in your (DCI) book should you wish to pass them out to your guests.

-- International Financial Situation. You may wish to brief on our efforts to analyze and understand developments in this arena which are of increasing concern. The paper being drafted by [REDACTED] should be completed by the end of the week. Meanwhile, I have included your notes from the President's Economic Advisory Board meeting of last week which described [REDACTED] and the debt problem among the LDCs.

- FOIA. [ ] recommend 25X1  
that you clarify your position on an FOIA  
exemption, given the misrepresentation of the  
recent news articles about your speech in Chicago.
- [ ] It is possible that one or more 25X1  
SSCI members will ask about CIA involvement.  
I have included [ ] memo covering recent 25X1  
discussions with Bob Turner, Counsel to the IOB,  
which gives the results of our internal investiga-  
tion.
- Marcos Visit. You may wish to comment on your  
meeting today with President Marcos.
- Puzzle Palace. It is possible that one or more  
SSCI members will raise also the revelations in  
this book. [ ] received some briefings 25X1  
from NSA and you have read the book, so you  
should be in good position to respond to any  
questions.
- SAFE. Because members of SSCI are aware that we  
have run into problems with the SAFE project, you  
may wish to inform them that you have authorized  
a redirection of this effort and have solicited the  
input of [ ] 25X1

3. Please let me know if there is anything else you wish  
to have for this breakfast meeting.
